

## **Atour Lifestyle Holdings Limited Releases 2023 Environmental, Social and Governance Report**

May 23, 2024

SHANGHAI, China, May 23, 2024 (GLOBE NEWSWIRE) -- Atour Lifestyle Holdings Limited ("Atour" or the "Company") (NASDAQ: ATAT), a leading hospitality and lifestyle company in China, today announced the release of its 2023 Environmental, Social and Governance ("ESG") report. The report provides a comprehensive overview and detailed insights regarding the Company's achievements and progress in environmental initiatives, social responsibility, and corporate governance.

As a key industry player, Atour has consistently upheld higher standards in operating as a responsible and sustainable business since its inception. The ESG report not only outlines the Company's strategies and efforts in critical areas such as ethical business governance, human-centered experiences, employee benefits, community engagement and sustainable practices, but also underscores Atour's ongoing commitment to transparency and responsibility.
